

recycle for East Staffordshire

Your new recycling and waste collection dates for 2019/20
Collections start from 6.30am so ensure your bin is presented by 6:30am.
Failure to do so could result in your bin not being collected.

Please ensure that containers are placed out at the kerbside for collection and that they are removed as soon as possible after the collection has taken place. Please note that Small WEEE needs to be presented at the side of the blue bin for collection.

The Council will not collect any waste on the dates marked with an **X**. These have been rescheduled to take place as follows: Wednesday 25th December will take place on Saturday 21st December, Thursday 26th December will take place on Saturday 28th December and Wednesday 1st January 2020 will take place on Saturday 4th January 2020. During the period 27th December to the 10th January 2020, up to 3 additional clear bin liners of blue bin recycling and up to 3 additional bin liners of grey bin waste may be put out for collection with your blue and grey bin. We will also take additional flattened cardboard at the side of your blue bin.

Your domestic waste bin can be used for waste that cannot yet be recycled. Please note that nappies, polystyrene, bubble wrap, hard/rigid plastics and food waste should be placed into this bin.

Please note that if your blue or brown bin contains incorrect materials, we will be unable to empty them as they will be classed as contaminated and we are unable to empty contaminated bins.

This leaflet constitutes formal legal notice to you regarding arrangements for the collection of household waste under Section 46 of the Environmental Protection Act 1990.
