

MINUTES FROM NEIGHBOURHOOD DEVELOPMENT PLAN MEETING

7pm Church House, 31 August 2021

Attendance: C Whorwood (attended as Chair of PC), K Baker, R Love, P Freeman, T Wheeldon (attended first hour of meeting only).

Apologies: J Wheeldon, R Humphries, P Male

The meeting was called to discuss the way forward following the resignation of T Wheeldon as Secretary to the group.

P Freeman advised that resignations had also been received from Mrs J Wheeldon, R Humphries and P Male.

T Wheeldon stated that he would still be available to answer future queries. He had completed the amendments previously requested by the PC and would be handing over a package of useful information.

Following lengthy discussions, it was agreed that the three councillor members of the NPG would take the process forward to completion. The NPG had already substantially completed their remit by providing a Draft Plan for PC consideration. The priority now was a redraft of the DEC section.

It was noted that a response was still awaited from Trent and Dove on affordable housing statistics. Clerk to PC to pursue this. In the meantime, affordable housing need assessment to be based on the 2011 Census data. The HNA produced by AECOM would be referred to in the Draft Plan but not directly quoted from.

Next meeting: Wednesday 8th September 7pm at Church House
