# Covid Testing In Abbots Bromley For Residents Without Symptoms

To help reduce the amount of coronavirus cases Staffordshire County Council are offering free Covid-19 testing for residents without symptoms.

To make it easier for people to attend a testing centre various locations will host pop up testing next week.

Your local pop up testing will be at Abbots Bromley Village Hall on Friday 5th February from 2pm – 4pm
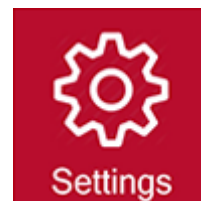

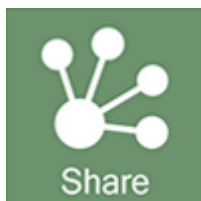

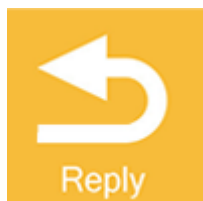

If you'd like to attend you need to book a space in advance. You can book a test, or see other testing locations in your area, by visiting https://staffordshire.zipporah.co.uk/TrackAndTrace/

If you have symptoms of Covid-19, please do not attend this testing. You need to book through the national portal at https://www.gov.uk/get-coronavirus-test or by calling 119.
