24. Neighbourhood Development Plan Update

Mr T Wheeldon, secretary to the Neighbourhood Planning Group, updated the Council on the Draft Neighbourhood Plan. The draft had been circulated prior to the meeting for councillors to read.

He said that Ms R Raine from ESBC had been a tremendous support throughout the process. The consultant had produced a skeleton of a plan and the group worked on this along with Locality and ESBC. Valuable information had been gleaned from the period 2016-

2018 as well as more recently. He had spent a great deal of time bringing all of the documents and information together with a consistent approach.

Mr Wheeldon said that there would need to be a minimum of six week public consultation on the plan and then it would go to the examiner and then sit with ESBC who organise the referendum. It was highlighted by Dr Whorwood that the six week period is a minimum length of time. Mr Wheeldon confirmed that all consultation documents and letters have been published on the Abbots Bromley village website.

Councillors discussed the plan, however, it was agreed that an extraordinary meeting would need to be called in order to give all members adequate time to feedback questions and comments on the draft.

RESOLVED: *that an extraordinary meeting would be held on Wednesday, 17th March 2021. Prior to this councillors to forward questions and comments to the Clerk by Friday, 5th March and for the Clerk to forward to Mr Wheeldon on Tuesday, 9th March.*
