110. Co-option of Councillor
 Mrs Rachel Garth introduced herself. Lived in the area for about 30 years. Spent a total of 6 years with Jelly Tots and then her children went on to Richard Clarke. Involved in many organisations in the village and visited many establishments. Likes walking and attends classes a village. Also now work as treasurer for First Responders. Cllr Love proposed that the Parish Council co-opt Mrs Garth as a councillor, seconded by Cllr Rodway-Bowden. All members agreed. Cllr Garth accepted the role as Councillor

111. Public Session

Mr Martin Godfrey spoke on behalf of the AB Branch of the Royal British Legion. Mr Godfrey explained that the British Legion is looking for support from the Parish Council in order to run the Remembrance Sunday Parade. Unfortunately the British Legion cannot take responsibility for the event so is asking for help with insurance and the request for the road closure.

Cllr Love asked for clarification on what would the PC be asked to cover. Mr Godfrey clarified how the insurance would work and what it is needed for people attending the event, those taking part in the parade would be covered under the organisation they are representing. Discussed at length. Mr Godfrey agreed to put together a proposal and circulate to councillors. Mr Godfrey to provide document by following Tuesday so that the Councillors can approve.

A resident from Seedcroft raised the issue of the building at Port Lane Farm and just checking that the building going up has planning permission. The Clerk confirmed that planning permission had been given for works being carried out at the farm.

Another resident said that she had just moved into Northwood House and wanted to get more involved. She also has a planning application in which she wondered if this was being discussed tonight.

Members of Abbots Bromley Fire Service introduced themselves. Station now being refurbished and wanted to invite councillors down to have a look around. Bring the station more up-to-date. Want to reinvigorate the links with the village and possibly help to raise funds for a local charity eg refurbishment of the War Memorial.

Ms Sarah Wilkinson introduced herself, used to have approximately 250 calls a year. Now significantly reduced call outs as we now have less firefighters to cover shifts. Mr Gary Fox introduced himself. Great resource to have in the village. Currently running at 50% of what we need. Looking for ideas on how we can recruit. Recruits gain skills and life skills.

The fire officers said that they don't struggle with recruitment in Barton under Needwood but do in Abbots Bromley. Discussed the use of The Bulletin. Discussed at length.

Rachel Garth suggested that maybe the First Responders and Fire Service joined forces.

Need to pass information to Cllr Lockey for inclusion in the Bulletin. Need to get together and talk about this and build a strategy. The Clerk mentioned the Young Farmers

Fireservice to provide visual and copy for the Bulletin

112. Declarations of Interest

113. Minutes of Previous Meetings

Cllr Brown said that there was just one amendment to note – that the Rowan Tree was going to be planted at The Almshouses.

RESOLVED : *that the minutes of the meetings held 27th July be signed as a true and correct record with above amendment.*

114. Neighbourhood Development Plan Update

Cllr Love thanked Cllr Freeman and Cllr Baker for their continued to work on Neighbourhood Plan. Also thanked Clerk and Cllr Freeman for their work on the FOI request.

Cllr Freeman provided an update.

ESBC suggested informal examination of the plan and health check, sent off at the end of July. Was delayed by ESBC. Examiner only just been appointed so much time wasted without progress. Examiner then said he could move quite quickly so decided to progress. Cllr Freeman said that he was not happy with how things are being handled and things being delayed. Cllr Freeman confirmed that it is a free service by Royal Institute of Chartered Surveyors, a safety net.

Cllr Love suggested to leave it until the end of the week before pulling it. Cllr Baker said he would pull it now. Cllr Freeman to convey to ESBC and pull at the end of the week if no feedback received.

Discussion regarding Friel Homes development. Hopefully neighbourhood plan submitted prior to Friel submitting their plans.
