P/2023/00416	Abbots Bromley School For Girls High Street Abbots Bromley Staffordshire WS15 3BW	Partial demolition of the former Abbots Bromley School Buildings, conversion and extension of the remaining school buildings to form 60 dwellings (27 for over 55s), erection of 58 dwellings and garaging (8 for over 55s) and a detached Community Store	06/04/2023	20/04/2023	Proposals appear to be in line with what was presented to the community at open meetings, application does request something outside of our settlement area on equestrian centre is the ground going to be built up to facilitate this. The Community store gives a restricted view out into the street- query if the visibility is acceptable. Coming out of that area would have to cross very close to a blind bend, may argue that access already exists. How many parking spaces will be provided- Kings Bromley has around 13, parking spaces seems inadequate. request the schedule of work-time in day and night, delivery operations and dust and dirt suppression. Heavy items not coming through Lichfield Road. Does support the neighbourhood plan.
