P/2023/00549	The Wheel House, Bagot Street, Abbots Bromley, Staffordshire, WS15 3DA	Conversion and alteration to form separate dwelling, including the conversion of an existing garage into part of the newly created dwelling, part two storey rear and first floor side extension over the existing garage, and alterations to the front elevation	26/06/2023	17/07/2023	Have a little annex- neighbourhood plan wouldn't object- low cost market housing, a large window altered to become smaller, conservation area and listed, disappointed if it was made smaller as conservation area and taking away part of the village past. Want to add roof lights, all other properties should be at the rear, low roof line, altering the street scene but acknowledges that they dont know a way around this. Is the actual window historic? RL dont want to alter street scene but actual window isnt attractive- application suggests that the smaller will be more in keeping. RL propose change window leave the roof lights- objection to the roof light.	Permits	July	November
